**SATINfloss™ & SATINTape™** Slip into something more comfortable...

[Compare this floss](#)

Meet the new SATINfloss dental floss from Oral-B, a floss so smooth and silky, your mouth will feel luxuriously clean! Its advanced, two-layered design provides superior strength, easy handling, and comfort. In fact, our tests show that SATINfloss is preferred 2-to-1 over Glide® dental floss.<sup>1</sup> So when it's time to floss, pamper your mouth and slip into something more comfortable.

#### Qualities

- Satin-like finish is gentle on gums and fingers, for your comfort
- Easy to insert, so you can reach even the tightest spots
- Comfortable to handle, even when wet
- Exceptionally strong, to give you a deeper clean
- A burst of double mint flavor leaves you with a fresher, cleaner-feeling mouth
- Comes in SATINfloss and SATINTape varieties
